

# **BCGC's Revised Range Procedures for Covid-19, Rev. 9**

## **General Guidelines (Applies to ALL Shooting Disciplines)**

1. **No one will shake hands or touch another person. Everyone, except your immediate family members who arrived with you, will remain at least 6 feet from all other people.** (Exception: to prevent an unsafe action by a shooter)
2. **All persons will bring a face mask to the range.** Everyone is encouraged to wear the face mask for the protection of themselves and others. **If a person chooses not to wear a mask, they assume an extra level of responsibility to keep distance from others.**
3. For the health of everyone: **Any person who is experiencing symptoms (see pg. 4) of illness should not visit the range. Leave the range immediately if symptoms manifest during your range visit.**
4. Only one person in an equipment shed at a time.
5. Only one person at a safety table at a time.
6. Only one person at a shooting position at a time.
7. **Members may now bring Guests and must adhere to all Protocol restrictions.**
8. **Everyone should bring hand sanitizer, sanitizer spray and sanitizing wipes.**
9. **Suggestion:** If you are shooting from the tables or benches, you may want to bring a pad or some item to cover the concrete or wood top.
10. **Sanitize Restrooms:** Restrooms will be cleaned before & after use by each user. There will be cleaning material consisting of a Diluted Bleach Solution at each restroom. Ensure any part of the restroom that will be in contact with your person is sprayed with the solution and remains on that surface for 1 minute before it's removed.
11. **Match Directors have the prerogative to increase the level of restrictions for the benefit and protection of their shooters.**

## Registration for Match participation

1. **Except for the July 4<sup>th</sup> matches**, ALL Match participants must register and pay on Member-Planet (MP) at least 12 hours prior to arriving at the range. *NO walk-ups. No cash or checks. Touchless registration ONLY.*
2. Match Squads (including SOs & MD) are restricted to 25 persons per Shooting Bay.
3. **Arrival time for Matches.** The Match will start when stage construction, New Shooters Meeting, and Safety Briefing are complete.
4. **First thing upon arrival:** Match participants check in and report to your first stage and help with set up. After your stage is built, check with the other squad to see if they need help.

## Match Administration (IDPA & Steel Challenge)

1. **SOs:** Any SO running the Timer is required to wear a Face Mask. If not willing to comply, DO NOT sign up for SO duty.
2. **Timers:** If you sign up for a SO position, please bring your personal Timer. If you choose to share a Timer, sanitize it prior to the exchange.
3. **Tablets:** 3 maximum Score Keepers per stage. Scorers should sanitize hands frequently and the tablet periodically. The Scorers will be the only ones touching the tablet. *Keep your distance!*

## .22 Rimfire Bench-Rest Matches

See [bcgc.com](http://bcgc.com), “22 Rimfire Benchrest Matches, .22 Rimfire Benchrest Covid-19 Protocol” for details.

## High Power Matches

1. Shooting positions are 8 feet apart and all can be used to satisfy Safe Social Distancing. Only participants in the relay firing for score at that time and Scorers will be allowed near the line. Scorers will maintain at least 6 feet from the shooter.
  2. Shooters & scorers will not congregate in any area that would exceed the limit of 25 persons per area.
  3. **Over-Night Camping:** Over-night camping is allowed. Social Distancing will be maintained between family groups and also between individuals outside of families.
- .....

## **SYMPTOMS**

### **Mild**

May include a combination of cough, body aches, fatigue, and chest tightness. Some people may not develop fever or fever may not occur until several days into the illness.

**Isolate yourself**

### **Worsening**

- Cough
- Fever
