RFBRimfire Benchrest Clinic

June 9, 2020

An informal informative clinic will be conducted after the June 9, 2020 match for all current and potentially interested competitors. The clinic will begin after the range is cleared of match equipment, award presentations and lunch break. Bring your equipment, new interested persons without equipment are welcome to attend. Non-members that will be shooting will have to pay a \$20 range usage fee.

It is suggested, interested persons bring a lunch, water, etc. as the length of the clinic depends on interest and practical application of techniques, and attendees concerns and questions.

Clinic Topics

Rifles - Classes defined - Overview on what rifles might be competitive in each class, how to make them more so - Rests – Bags (or life beyond sandbags) - Putting together a complete shooting system and making it all work together - Ammo (the great search for the magic bullet(s) - Shooting in the wind and mirage - Wind flags (how to use them) - Attendee input
